COPYRIGHT ENTRIES

PUBLISHED BY AUTHORITY OF THE ACTS OF CONGRESS OF MARCH 3, 1891, OF JUNE 30, 1906, AND OF MARCH 4, 1909

PART 1, GROUP 2:

PAMPHLETS, LEAFLETS, CONTRIBUTIONS TO NEWSPAPERS OR PERIODICALS, ETC.; LECTURES, SERMONS, ADDRESSES FOR ORAL DELIVERY; DRAMATIC COMPOSITIONS; MAPS

1914

NEW SERIES, VOLUME 11

No. 12

WASHINGTON:
GOVERNMENT PRINTING OFFICE.
1915.

THE Catalogue of Copyright Entries is published in four parts. Part 1, Group 2, issued monthly, contains mainly titles of pamphlets, leaflets, and literary contributions to periodicals, and all other productions registered under the legal designation "book" not found in Group 1 (issued several times a week), including also, however, preliminary reports of court decisions, local directories, herd books, and other annuals, etc. The entries are arranged alphabetically by authors, or, if anonymous, by title. An asterisk (*) after the author's name indicates that the author and copyright proprietor are the same. When the author and copyright proprietor are different, a separate statement is made at the end of the title, giving the proprietor and his address.

Group 2 also contains, in three separate alphabets, the titles of the entries made in Class "C," Lectures, sermons, addresses, prepared for oral delivery, which are arranged alphabetically by author; Class "D," Dramatic compositions, arranged alphabetically by title; and Class "F," Maps, arranged alphabetically by the subject word of each title.

Under the act of March 4, 1909, in effect from July 1, 1909, the preliminary entry of titles has been abrogated and registration follows deposit of copies with an application for entry in the Copyright Office.

To save space in the Catalogue, the copyright notice after each title is abbreviated. The abbreviations used in this part are as follows: "A," Class A, Books; "A—Foreign," Foreign books in foreign languages; "C," Class C, Lectures, sermons, addresses, prepared for oral delivery; "D," Class D, Dramatic compositions; "F," Class F, Maps. "©" implies copyright registration of a published work, followed by date of publication; "© 1 c." stands for copyright of an unpublished work, followed by date of receipt in the Copyright Office of the printed or manuscript copy; and "2 c." for two copies, followed by date of their receipt. In the case of contributions to periodicals only one copy of the issue or issues containing such contribution is required. "A ad int." implies ad interim copyright registration under the law of March 4, 1909, of a book published abroad in the English language, for which the deposit of only one copy is required.

A list of the books of which the subsisting copyright has been renewed and extended under section 24 of the act of March 4, 1909, will be found in Part 1, Group 1.

Each number contains an index of the names of all copyright proprietors, the names of authors of pamphlets, the titles of anonymous pamphlets, and the names of authors of dramatic compositions. The annual index supplies, in addition, the titles of all dramas and the subject words of all maps.

The annual subscription price for the Catalogue of Copyright Entries (received only for the calendar year) for Part 1, Groups 1 and 2, is $1.00 for 1914, payable in advance to the Superintendent of Documents, Washington, D. C., by postal money order, express order, or New York draft.

The act of March 4, 1909, provides that the Catalogue of Copyright Entries "shall be admitted in any court as prima facie evidence of the facts stated therein as regards any copyright registration."

NOTICE.

The Return to Copyright Claimants of Copyright Books (including Periodicals), Maps, Charts, Dramatic or Musical Compositions, Engravings, Cuts, Prints, Chromos, and Photographs.

Sections 59 and 60 of the "Act to amend and consolidate the acts respecting copyrights" provides as follows:

SEC. 59. That of the articles deposited in the copyright office under the provisions of the copyright laws of the United States or of this act, the Librarian of Congress shall determine what books and other articles shall be transferred to the permanent collections of the Library of Congress, including the law library, and what other books or articles shall be placed in the reserve collections of the Library of Congress for sale or exchange or be transferred to other governmental libraries in the District of Columbia for use therein.

SEC. 60. That of any articles undisposed of as above provided, together with all titles and correspondence relating thereto, the Librarian of Congress and the register of copyrights jointly shall, at suitable intervals, determine what of these received during any period of years it is desirable or useful to preserve in the permanent files of the copyright office, and, after due notice, as hereinafter provided, may within their discretion cause the remaining articles and other things to be destroyed: *Provided*, That there shall be printed in the Catalogue of Copyright Entries from February to November, inclusive, a statement of the years of receipt of such article and a notice to permit any author, copyright proprietor, or other lawful claimant to claim and remove before the expiration of the month of December of that year anything found which relates to any of his productions deposited or registered for copyright within the period of years stated, not reserved or disposed of as provided for in this act: *And provided further*, That no manuscript of an unpublished work shall be destroyed during its term of copyright without specific notice to the copyright proprietor of record, permitting him to claim and remove it.

In compliance with the above-cited provisions of law,

Notice is hereby given to the author, copyright proprietor, or other lawful claimant of any copyright book (including periodicals), map, chart, dramatic or musical composition, engraving, cut, print, chromo, or photograph deposited for copyright registration in the Office of the Librarian of Congress during the years 1900 to June 30, 1909, inclusive, that any such author, copyright proprietor, or other lawful claimant may send to the register of copyrights his full name, the full title of the copyright book (including periodicals), map, chart,

dramatic or musical composition, engraving, cut, print, chromo, or photograph, the year in which copyright registration was made, and, if possible, the number under which such copyright book (including periodicals), map, chart, dramatic or musical composition, engraving, cut, print, chromo, or photograph was entered for copyright, with a request for its return. On receipt of such information and request, such copyright book (including periodicals), map, chart, dramatic or musical composition, engraving, cut, print, chromo, or photograph will be returned to the author, copyright proprietor, or other lawful claimant, unless it has been otherwise disposed of according to law.

Application for the return of such copyright book (including periodicals), map, chart, dramatic or musical composition, engraving, cut, print, chromo, or photograph should be made as early as possible during the year 1914. If no such application has been received during said year, such copyright book (including periodicals), map, chart, dramatic or musical composition, engraving, cut, print, chromo, or photograph, the title of which, as recorded in the copyright office, has been published in the Catalogue of Copyright Entries, as provided by law, to which catalogue the claimants of such copyrighted work are hereby referred for a description of the works referred to in the notice, may be disposed of in accordance with the provisions of section 60 of said act.

INTERNATIONAL COPYRIGHT RELATIONS.

The copyright convention signed at the Fourth International American Conference, at Buenos Aires, August 11, 1910, was proclaimed by the President of the United States on July 13, 1914, and is in effect as between the United States and the Dominican Republic, Guatemala, Honduras, Panama, Nicaragua, and Ecuador.

DUPLICATE PERIODICALS WHICH MAY BE RETURNED TO COPYRIGHT PROPRIETORS.

Notice is hereby given in accordance with the provisions of section 60 of the act of Congress approved March 4, 1909, and entitled "An act to amend and consolidate the acts respecting copyright," that the copyright proprietor, or other lawful claimant, is now permitted to claim and remove any of the periodicals named below deposited and registered for copyright in his name as indicated in the list given below.

One copy of each copyrighted newspaper is added to the collection of bound volumes of newspapers preserved in the Library of Congress. Only the duplicate copy may be withdrawn by the copyright proprietor.

The abbreviation © stands for copyright registration and is followed by the name of the copyright proprietor who is entitled to withdraw the copies indicated.

Address requests for the withdrawal of deposited copies to the Register of Copyrights.
